†Valid up to† date mentioned above (whichever is earlier)

Authorised Signatory

( Healthcare Sector Skill Council)

## Acknowledgment

Healthcare Sector Skill Council (HSSC) acknowledges the contribution of all the individuals and organizations who have contributed to the preparation of this book.

We would like to thank Dr Naresh Trehan, Chairman, HSSC for his constant guidance and support.

We would also like to acknowledge the efforts of HSSC Governing Council and members of HSSC Content Approval Committee; Dr A K Agrawal, Dr Alexander Thomas and HSSC team who guided preparation of the book.

Sincere appreciation is extended to our industry partners, all experts for providing technical inputs and reviewing the individual modules. The efforts of Team Life Supporters Institute of Health Sciences are specially appreciated for supporting the development of the book.

The preparation of this book would not have been possible without the strong support of Healthcare Industry and their valuable feedback.

HSSC dedicates this book to youth of the country who desire to learn specialized skills, an invaluable asset for making a career in the Healthcare Sector and wish to be part of the most Nobel profession of saving life.

*For Healthcare Sector Skill Council*

**Dr Shubnum Singh**

(Chairperson, HSSC Content Approval Committee)

*For Healthcare Sector Skill Council*

**Mr. Ashish Jain**

(Chief Executive Officer)

## About this book

This Participant Handbook is designed to enable training for the specific qualification Pack(QP). Each National Occupational (NOS) is covered across Unit/s.

Key Learning Objectives for the specific NOS mark the beginning of the Unit/s for that NOS.

- Respond to emergency calls
- Size up the scene at the site
- Follow evidence based protocol while managing patients
- Assess patient at the site
- Patient triage based on the defined clinical criteria of severity of illness
- Manage cardiovascular emergency
- Manage cerebrovascular emergency
- Manage allergic reaction
- Manage poisoning or overdose
- Manage environmental emergency
- Manage behavioural emergency
- Manage obstetrics/gynaecology emergencies
- Manage bleeding and shock
- Manage soft tissue injuries and burns
- Manage musculoskeletal injuries
- Manage injuries to head and spine
- Manage infants, neonates and children
