

# Competency Enhancement Program

HSSC works closely with industry partners to ensure that the training programs are relevant and meet the industry's expectations.

HSSC offers a range of programs and initiatives aimed at promoting skill development in the healthcare sector. One of the key initiatives towards promotion of continuous learning is partnership program with the industry partners as Competency Enhancement Program with an objective related to **Skilling, Reskilling and Upskilling** programs for professionals engaged in healthcare organizations. Such certification does not relate to the certification done by HSSC under the national skill qualification framework (NSQF).

## Process flow of Participation:

Interested organizations could submit their training programs under CEP to be run in collaboration with HSSC on the given google form.
